Head of School

Aarhus International School (AIS)

Aarhus International School is growing and increasing student capacity up to 600 children from summer 2024. AIS is a private day school for students of expatriate and Danish families, an IB World school with authorized programmes for Primary Years and Middle Years.

Our new Head of School will manage a growing and developing school, with dedicated staff, students, and families with students from over 40 different nationalities within the 3-to-15-year age-group. AIS values its strong community both within staff and families, and our new Head of School is expected to further nurture and grow the AIS community and inclusive culture.

The Head of School is responsible for both the Educational Leadership and the Administrative and Operational Management of the school.

The ideal candidate will embrace the spirit of exploration, inclusion, and achievement that has guided AIS since its founding in 2011. The person will cultivate a global-minded, inclusive environment that inspires both students and staff, fosters a shared humanity, and celebrates cultural diversity. The Head of School reports to and will work closely with the School Board. The Head of School will represent AIS in relations to the wider school community and will maintain and hone AIS' commitment to quality international education, co-curricular activities, community engagement, as well as global educational and cultural exchange partnerships.
